26-28. soruları, aşağıdaki parçaya göre cevaplayınız.

Do you feel tired all the time? You may not be getting enough sleep. Most adults need seven to eight hours of sleep a night. There are many reasons for not getting enough sleep, such as stress, illness, children, and work. Here are some things that can help improve your sleep. Exercise has many benefits that include reducing stress and improving sleep patterns. Don’t sleep late on the weekends. Don’t eat or drink a lot before bedtime. Relax by taking
a nice hot bath or shower. Try these things, and you will probably get a good night’s sleep. You might even wake up before your alarm!

26. According to the passage, what should you do to get a good night’s sleep?
   a) Sleep late    b) Have a drink    c) Exercise    d) Have a siesta    e) Eat too much

27. How much sleep should an adult get?
   a) Until he/she is not tired    b) Until the alarm goes off    c) Less than seven hours    d) About eight hours    e) More than twelve hours

28. Which of the following is NOT suggested in the passage?
   a) Eat less    b) Do exercise.    c) Don’t sleep late on weekends.    d) Take a nice bath.    e) Don’t use an alarm.

29-31. sorularda, sırasıyla okunduğunda anlam bütünlüğünü bozan ifadeyi bulunuz.

32. Many students apply to several colleges to be sure that they will be accepted by at least one. There are plenty of colleges to choose from, but not all of them offer every major field of study. For this reason, quite a few students start at one college and then transfer to another. Most students have to decide on a major field of study by the third year of school. __________________. They help students to decide on a field of study.
   a) So almost all schools have advisors    b) Some colleges are very expensive    c) Parents should be more careful about their children’s friends    d) The government must have a good education policy    e) It is an obligation for schools to have facilities

33. People in many countries like to celebrate carnival. __________________. The residents of these cities expect to spend months practicing their special routines in “samba” schools. In Rio de Janeiro, most of the citizens take the time to make costumes and to prepare floats for the many parades. In New Orleans, residents compete to be “king” of a float who is responsible for designing and paying for costumes.
There were some occasions like festivals in ancient Greece.
During festivals, people may be injured.
Festivals are also sources of making friends.
Some people held a demonstration during the festival.
Dancing and laughing can be heard in New Orleans and Rio de Janeiro.

People believe that cell phones cause cancer, especially brain cancer. A few studies have suggested a link with certain types of brain tumours. These studies haven’t been published on the front pages, so most consumers can not notice them.
Electronic devices, like cell phones, can cause many disorders in people.
Keeping your hands free and your eyes on the road is important.
Especially the young use them to play online games.
But most studies show that there is no link between cell phone use and brain cancer.
Today, cell phones are occasionally used like computers.

Pay attention to calories you take if you want to control your weight.
You should limit calorie intake, so you can lose weight easily.
If you limit calorie intake, you can control your weight easily.
Increasing the calories you take, you will never control your weight.
If you gain weight, you should control the calorie intake.

Man has been polluting the earth from the time he lit his first light and washed his clothes in the river.
People have polluted the earth because they have to light a fire and wash their clothes in the river.
Since the earth was polluted, man has used his fire and washed his clothes in the river.
The earth was polluted, after man first lit his fire and washed his clothes in the river.
Before lighting his fire and washing his clothes in the river, man decided to pollute the world.

For the transport of the future, electricity and solar energy will be as important as petrol.
Electricity and solar power will be highly demanded for the future transport.
Many forms of transport in the future will use electricity and solar energy.
Transport will be easy and cheap in the future thanks to electricity and solar energy.
The transport of the future will depend on electricity and solar energy more than petrol.

Sadece çok izlenen TV programları sponsor bulmada sıkıntı yaşamazlar.
Sponsor bulmakta zorluk çeken TV programları, doğal olarak, çok izlenenlerdir.
Çok izleyici çeken TV programları, sponsor bulmakta zorlanmazlar.
Çok izlenen TV programlarının sponsor bulma gücü olmaz.
Çok izleyicisi olmayan TV programlarının sponsor bulmada sıkıntı çekmezler.

Binlerce insan öldürüldü ve binlercesi yurt dışındaki köylere gitti.
Binlerce insan öldürüldü ve on binlerce sığınmacı köylere sale Edildi.
Binlerce insanın öldürülmesini binlerce sığınmacının yurt dışına kaçması takip etti.
Binlerce sığınmacı yurt dışına kaçarken on binlercesi de öldürüldü.
Köylere binlerce insan öldürüldü ve yüzlercesi yurt dışına gitmeyi tercih etti.
40. If the announcement had been made earlier, more students would have attended the lecture.

a) Duyuru çok önceden yapıldığından, seminere pek çok öğrenci katılmıştı.
b) Seminere daha çok öğrenci katılsın diye, duyuru önceden yapılmıştı.
