Deloitte recognized us as one of the Fastest Growing Technology Companies in the EMEA region and Turkey. We also kept our position among the 500 largest ITC companies of Turkey since our foundation. Through the years we're the winner of many prestigious awards, including the European Business Award for business excellence and also a member of the world famous entrepreneurship community Endeavour. We received investment by a consortium consisting of Ak Portfoy, 212 and Endeavour Catalyst in 2019 due to its consistent growth, commercial success, and innovative product development approach.
