

Guide for Incoming Erasmus+ Students

After the nomination by home university, students will be receive an official e-mail from Karadeniz Technical University, which defines the Erasmus application procedure. After receiving this official e-mail, students need to fill the forms below and resend to Karadeniz Technical University International Relations and Exchange Programmes Office by e-mail or by post.

A complete application by Erasmus+ students requires the submission of

- (1) Exchange Student Application Form
- (2) Grade Transcript
- (3) Learning Agreement
- (4) Application for Accommodation.

The documents for ERASMUS Incoming students can be downloaded from the link below:

Filling-in the Forms

All forms have been prepared in word format and can be edited in any word processors. It is important that the forms are downloaded from the web page and filled in properly in capital letters using a word processor. The learning agreements should be filled in after a thorough search through the course list of the degree program of interest to be found in the link below:
