2020 -2021
INTERNATIONAL
STUDENT GUIDE

Preface

Dear Prospective Students,
You are on the verge of making a crucial decision for your life. What profession will you have and what university will you study? While deciding, please consider your abilities and interests and try to choose the one which will make you happy.

I welcome you warmly to Karadeniz Technical University. With approximately 32.000 students from every corner of Turkey and a lot of different countries, more than 236.000 alumnus, 2185 academic staff having good reputation, Karadeniz Technical University, which was founded in 1955, is one of the oldest, most traditional and innovative universities in Turkey. Our range of studies in 12 faculties, 6 institutes, 1 college and 8 vocational schools is defined by great variety and scope. Since its foundation, our university has been constantly developing and growing as one of the main educational institutions in our country.

The employees of the university consider it their role to create a community where students feel well cared for in a personal environment which stimulates creative work. An emphasis is placed on giving students good access to their instructors so they can jointly support the student's learning in a demanding environment. Graduates from Karadeniz Technical University testify to its strength and are pleased with the education and experience they have acquired. Karadeniz Technical University provides its

students with a unique opportunity to actively participate in knowledge creation in numerous fields, especially fields that in the coming years will address the most important tasks of the country. By pursuing studies at Karadeniz Technical University, you acquire the ability to undertake responsibilities in the future, at the same time as you directly participate in the development of our country.

We are looking forward to welcoming you in one of the most spectacular campuses of our country- a campus where the green of the mountains and the blue of the sea come together. Join us and experience this privilege.

Prof. Dr. Hamdullah ÇUVALCI
Rector

**KARADENİZ TECHNICAL
UNIVERSITY**
WELCOME

KTU main campus is situated on a pleasantly landscaped site overlooking Blacksea where students can combine the peace and the beauty of the countryside with the attractions of the campus life.

Both the airport and the bus terminal are only 10 minutes away from the main campus. If you come by air, the best thing to do is to take a taxi to the campus and it will just take 5 minutes. Should you come by couch, you can either take a taxi or get on minibuses with (KTÜ) signs, along the main road in front of the station.

SOCIAL FACILITIES

Accommodation

KTU offers a wide variety of accommodation options, ranging from dormitories, student hostels to single-bedroom flatlets both in the main campus and other campuses.

Dormitories include rooms shared by 2 to 4 students and are aimed at housing students who cannot afford to pay for better accommodation.

The flatlets are fully furnished with high standards, provide all the cooking facilities with its own kitchen and bathroom inside. And they are reserved for our international students.

There's also a student hostel in main campus where graduate and doctoral students are accommodated. Besides these, we have a newly built student village and it's only 10 minutes walk from the university. Whichever you choose, you are never more than a short walk away from all your academic, cultural, sporting and social activities.

Social Cultural and Sports Facilities

The shopping center, on the main campus, is a kind of complex where the students and guests can find almost anything they need. The centre contains a post Office, markets, souvenir shops, bookshops, a confectionary, a laundry, a stationery's, a hairdresser, restaurants and cafes.

Apart from the cafes and restaurants, there are also dining halls on all campuses, where lunch and dinner are served at reasonable prices. Canteens and cafeterias also offer a variety of food; from fast food to snacks and cooked meals. In addition, there are also many restaurants and cafes in walking distance from the campus that are open till very late in the evening.

Various banks have university branches enabling the students to carry out their banking operations. Besides these, many banks have ATMs throughout the campus available for 24 hours.

Library

Karadeniz Technical University Central Library is a modern facility offering a large variety of materials, access to major databases with hundreds of periodicals in different fields, as well as online books and theses. All of the collections can be accessed through an on-line searching system.

Internationalisation

Since its foundation, KTU has been actively involved in international cooperation. International activities are facilitated by the International Relations Office with more than 125 Erasmus+ partners and more than 235 agreements in Europe. With over 400 mobilities every year within the framework of Erasmus+ Programme, there is always a gradual increase in international activities involving staff and student exchanges as well as EU-projects. Students from Erasmus+ partner universities can study for a semester or the whole academic year in selected field of study. KTU implements the European Credit Transfer System (ECTS) and academic recognition of studies abroad.

Deadline for the nominations from home institutions is June 1 for autumn semester, and December 1 for spring semester. For exchange students the language of instruction is English. Exchange students are also free to select courses from all departments related to their field of study.

Besides, the university participates in Mevlana Exchange Programme funded by Turkish Higher Education Council, offering mobility opportunities with countries all around the world.

Apart from the international programmes, the university is always open to foreign students from all over the world.

For degree-seeking full time students, an exam called KTU YOS is organized.

Personal and Professional Development

Technology Transfer Application and Research Center

KTÜ TTM, which serves as the interface of KTU in technology transfer, brings together the entrepreneurs with the parties they needs in the national and international area, and it serves with the power it receives from the region. With KTU TTM's experienced experts supports everyone whom wanting to protect the innovative idea and take part in the project world, and wants to turn their business idea into a start-up company and develop field-oriented projects in collaboration with industry. KTU TTM Pre-Incubation Center, matches its entrepreneurs with experienced mentors, matures their business ideas and brings them together with investors.

Career Center

KTU Career Center is a unit established to support students and graduates in their career planning and to prepare them successfully for business life. The career center provides support to students and graduates in their search for a job, preparation for interviews, job application, preparing a resume, setting career goals and interviewing. For this purpose, the career center is at the service of our students with career days, career fairs, graduate programs promotion days, special events for companies and career counseling.

Personal and Professional Development

Distance Education Application and Research Center

KTU UZEM, in the perspective of “Lifelong Learning”, delivers the high knowledge, experience and experience of our university to all individuals and institutions with distance education technologies. In this context, KTU UZEM provides graduate education and certificate programs in various subjects.

Drug and Pharmaceutical Technology Application and Research Center

Have a drug research related idea or project?

Interested in working with us?

We invite you to explore the research groups, goals, mission & vision, and the projects of the DPHAR, first academic research center in our region, for preclinical drug discovery and development of pharmaceutical formulations and also to share our lab facilities and to collaborate on research projects...

Continuing Education Application and Research Center

Our center acts in order to share the knowledge of our university outside academic programs in the light of the philosophy of Lifelong Learning. In this context, it organizes face-to-face training programs, exam applications, conferences and similar activities for our students, personnel, civil people, public or private sector organizations in the fields they need.

Social Cultural and Sports Facilities

Karadeniz Technical University is one of the most distinguished institutions in Turkey offering its students all possible opportunities regarding social, cultural and sports facilities.

The university's Congress Venue and Cultural Centre are the heart of social life for the city where all kinds of scientific and cultural meetings are organized.

Recreational areas give students the opportunity to relax and socialize. Guest houses, restaurants, cafes, sports facilities including tennis, basketball and volleyball courts, a stadium and a swimming pool are all available for students and staff members.

The Sports Complex, situated on the main campus, is designed for all kinds of indoor activities ranging from basketball to squash, to weight lifting and table tennis.

Karadeniz Technical University has more than 70 student clubs such as Mountain Climbing, Tennis, Aviation, Photography, Chess and Environmental Club. These clubs arrange interesting activities regularly throughout the semesters.

KARADENİZ TEKNİK ÜNİVERSİTESİNDE ÖĞRENCİ OLMAK

KTÜ'ü olmak;
sosyal-kültürel ve spor amaçlı tesislere,
uygulama ve araştırma merkezlerine,
kütüphaneye,
akademik kadroya
sorunsuz erişim demektir.

KTÜ'ü olmak yalnızca
bir üniversitede okumak
değil,
Karadeniz'de ayrıcalıklı
bir deneyim yaşamaktır.

KTÜ'ü olmak kişisel ve mesleki
donanımla yetişmek demektir.

Trabzon

Geography

Trabzon, located by the Blacksea on the historical Silk Road, has been a melting pot of religions, languages and culture for centuries. The city has a population of over a million people. It has relatively high rain fall all year round, producing a landscape of lush greenery. The area is home to many beautiful species of plant and wildlife, many unique to the region.

Climate

All year round, climate is mild in Trabzon. The annual average temperature is 14,5°C. The temperature goes up to 30°C in summers. especially in spring, rain is very typical. The difference between the day and night temperatures is not so high.

Cost of Living

Turkey is cheaper in many respects than most of the western countries. Turkish students live on around 200-300 Euro per month including the cost of dormitories. For foreign students, the Erasmus grant should be sufficient not only to live on, but also to explore and enjoy the life here in Trabzon.

Transportation

Trabzon is quite easy to reach at with its various transportation facilities. It has an international airport from where there are direct flights to Ankara, İstanbul and İzmir every single day. Also there are numerous bus companies with which you can travel to every corner of Turkey with a high quality of service.
