A stylized graphic celebrating a 50th anniversary. The number '50' is rendered in a large, bold, grey font with a gold outline and a 3D effect. A gold starburst is positioned between the '5' and the '0'. A diagonal gold slash cuts through the '0' and extends downwards to the right. To the right of the slash, the word 'yıl' is written in a smaller, grey font with a gold outline and a 3D effect.
